

Leading technology for the worldwide maritime industry

MT

MARINE TECHNOLOGY

SNAME: Connecting Naval Architects and Marine Engineers for over 125 Years.

As the flagship publication of **Society of Naval Architects and Marine Engineers**, **MT** is the trusted source for the latest technology, policy advances, and analysis. Only **MT** brings together **SNAME** professional members as contributors and readers, amid the international community of **SNAME** sections and members to publish essential industry leading content. Printed Quarterly, each issue of **MT** provides unmatched coverage about technology advances and improvements, rules and regulations, case studies along with commentary on related public policy issues. Helping the practicing naval architect, marine and ocean engineers perform at a higher level. Each issue is available in a digital format as well.

Feature articles include clear, concise graphics, drawings, tables, charts, or photos that show data that supports technical discussions. One of the features focuses on a ship or vessel report with standard drawing, characteristics and key specifications. Departments provide opinion and editorial content in addition to member profiles, policy briefings, technical notes, **SNAME** paper abstracts, education, book, web site and media reviews and historical notes. With a 92% member retention rate, **MT** readers are passionate advocates and users of products and services for the maritime industry, loyal to the advertisers who support their society. They are highly educated and highly involved in all aspects of purchasing for the marine industry. The level of industry experience [64% with 15+ years and 29% with 30+ years] qualifies them as experts in the maritime industry. To place your company's ad, please call **Mr. Michael Massicott at 800-891-2828 Ext:1162, or email mike@pentagon-usa.us**

ADVERTISING POLICY

The Society of Naval Architects and Marine Engineers reserves the right to reject and/or cancel any advertisement.

Advertisements for alcohol, tobacco, firearms and political groups are not accepted. The advertiser and their advertising agency assume full liability for content of advertisements printed and assume full responsibility for any claims made against the publisher.

SPACE RESERVATIONS

Advertising contracts, insertion orders or written notice authorizing an advertisement to run must accompany or precede the arrival of the advertising material. Guaranteed positions are contracted for inside the front page (Cover 2) and back page (inside, Cover 3, and outside, Cover 4) positions only. However, requested placement will be attempted based on space availability and the discretion of the publisher. Only ads that meet our design specifications will be accepted.

PAYMENT

The advertiser and advertising agency are jointly and separately responsible for payment. Pre-payment is required. Ads will be pulled at the discretion of the Publisher for non-payment.

DIMENSIONS & MECHANICALS REQUIREMENTS

Please request our detailed **Advertising Mechanicals and Electronic Ad Specifications** from your program representative or from our **Art Department** at **800-891-2828 Ext: 1011** or **art@pentagon-usa.us**

Digital data is required for all ad submissions. Preferred file format is PDF/X-1a. However, other digital art will be accepted. High-resolution PDFs must be provided as CMYK with fonts and images embedded via disk, CDROM or email. Additional electronic and mechanical specifications are available.

MT is printed on a high-speed web and SWOP standards apply. Final trim size is 8 1/8 x 10 7/8 inches and bleed size is 8 3/8 x 11 1/8 inches. Live Material must be kept 1/4 inch from the trim and 1/8 from gutter.

Additionally, the production department at **Pentagon Publishing, Inc.** is available to design or reformat files at \$75 per hour (fee may be waived). Please contact the **Art Department** at **800-891-2828 Ext: 1011** or **art@pentagon-usa.us** if you wish assistance.

DISTRIBUTION

Approximately 6000 copies are printed per issue, combined with **SNAME Online MT** readers reach an audience estimated at over 60,000 in the marine architecture and engineering community!
